

Young Orator Program

# Public Speaking Classes

Become Clear, Concise, and Confident!

Age: 4 to 6 Years

Duration of the  
Program  
**30 Sessions**

## About the Program

Right from Kindergarten, children are expected to begin speaking in front of their classes. It may only be something simple, but it can still be a difficult task for a child. This program will give them tips on how to do that successfully. The program will comprise discussions revolving around effective communication skills, through which children will learn how to talk in front of people and enrich their social skills. The program will also equip children with non-verbal communication skills wherein they will learn to maintain appropriate body language when addressing a crowd. Children will be engaged in fun-filled activities and will be encouraged to speak clearly and confidently.

# Topics Covered

- » **Introducing Oneself:** How to introduce yourself?
- » **My Favorite Things:** Conversation about their favorite things.
- » **My Family:** Descriptive Conversation about their family.
- » **My Best Friend:** Describing a person based on preferences.
- » **What About Pets:** Conversation around responsibility.

## Learning Outcome

Children will learn and understand the very essence of Public Speaking. Their articulation, body language, and clarity of speech will be sharpened. They will be exposed to activities and exercises that will enhance their ability to speak confidently and eloquently.

Age: 7 to 8 Years

## About the Program

Public Speaking is an essential life skill. It is imperative for us to build confidence in children in their formative years, as it will enable them to grow up to be expressive and confident adults. This program aims to create a platform for children to become eloquent speakers. Through this program, children will be introduced to an array of exercises and activities that will boost their confidence and help them master the art of Public Speaking. When we equip our tiny tots with the confidence and skill to speak in public, they can grow to do some incredible things. They can inspire change and unite people in a common cause or connect with others more effectively.

# Meet the Team

## Jas Johari

**Program Director - Public Speaking**

Jas Johari, Learning Head of Bambinos, has been one of the most prominent figures in shaping and forming a holistic perspective to nurture children in their formative years. She has been working with children for the past two decades and has been awarded the license to teach 'Mind Maps' (originated by Tony Buzan) and is presently the only person in the country who holds this award. Designed exclusively by Jas, this course aims to strengthen the fundamental aspects of children and enhance their learning. All the teachers have undergone special training under Jas to develop themselves for the course, and impart valuable information to the children.

## Ashish Gupta

**Customer Success Manager**

Ashish has previously worked at leadership positions at Amazon and Curefit. In his last role, he operated as COO for a series A start-up funded by Lightspeed. Ashish has an MBA from IIM-C and BE from PEC Chandigarh. He is a proud parent of a 5 year old girl and is deeply affectionate towards her. This love drives him to work at Bambinos and guides him to take every decision, which would be beneficial for kids.

## Aditi

**Content Designer**

Aditi has worked in the corporate IT sector for 10+ years. She is passionate about teaching and has conducted classes for kids as a freelancer in India, US and Middle East too. Aditi takes pride in designing courses like Book Reading, Creative Writing and Bhagawad Gita. She believes each kid is unique and needs to develop and enhance their potential, the World is your Oyster. Aditi's perspective is that teaching should be a pleasure and learning a gift, so let's make this a beautiful experience for our little ones.
