Meet the Team

Jas Johari

Program Director

Jas Johari, Learning Head of Bambinos, has been one of the most prominent figures in shaping and forming a holistic perspective to nurture children in their formative years. She has been working with children for the past two decades and has been awarded the license to teach 'Mind Maps' (originated by Tony Buzan) and is presently the only person in the country who holds this award. Designed exclusively by Jas, this course aims to strengthen the fundamental aspects of children and enhance their learning. All the teachers have undergone special training under Jas to develop themselves for the course, and impart valuable information to the children.

Ashish Gupta
