Unbox English

A comprehensive English language program to enhance the linguistic potential in children

Duration of the Program
96 Sessions

Unbox English for Kids

Age 6-9 years old

About the Program

Language is a critical component of communication. Language plays a vital role in shaping and forming the foundational structure of acquiring knowledge. It is very crucial for children to have a strong foundation in language as it enhances their overall academic development. Through this program, children will be able to sharpen and strengthen their linguistic skills pertinent to the English language in order to enrich their comprehension, articulation and vocabulary. The program aims to create a fun-loving learning space for children, through adventurous story-based modules to refine their communication skills and to become fluent in the language of English.

Topics Covered

Classes 1-15

Basic Grammar (Parts of speech, Singular-Plural) taught in fun story-based techniques thus making the learning process an adventure for children.

Classes 16 and beyond

Imagination gone wild ! Guiding kids on how to unlock their imagination and let it fly! Unique topics aimed at helping children open their minds up to new ideas, broader perspectives and helping them fall in love with English.

Learning Outcome

Unbox English focuses on bringing together the essential elements of reading, writing and comprehension. What you will see at the end of the class is confident young kiddies with a robust vocabulary, strong imaginative skills with the ability to express themselves boldly.

Duration of the
Program

30 Sessions

Unbox English

Grammar & Creative Writing with Vocabulary

Age 10-14 years old

About the Program

Language is a critical component of communication. Language plays a vital role in shaping and forming the foundational structure of acquiring knowledge. It is very crucial for children to have a strong foundation in language as it enhances their overall academic development. Through this program, children will be able to sharpen and strengthen their linguistic skills pertinent to the English language in order to enrich their comprehension, articulation and vocabulary. The program aims to create a fun-loving learning space for children to refine their communication skills and to become fluent in the language of English.

Topics Covered

Totally 30 sessions covering grammar and Creative Writing :

- Adjectives and Adverbs
- Prepositions
- Conjunctions
- Punctuation
- Degrees of comparison
- Tenses
- Active-Passive voice
- Direct-indirect speech
- Figures of Speech
- Idioms
- Various elaboration and beautification techniques
- Different genres of essays
- Letter and email writing
- Comprehensions
- Understanding poetry
- Video reviews

Topics are designed to make learning fun and engaging for students. The classes are held in a very interactive, encouraging atmosphere thus making the learning process extremely interesting for the child. Children are encouraged to express their views openly, helping them present their thoughts, brainstorm intelligently and become confident speakers.

This program brings together the essential elements of reading, writing, speaking and comprehension thus providing a holistic development for the child in all aspects.

Learning Outcome

Children will enhance their ability to listen, read, write and speak English effectively. They will learn to express themselves through spoken and written English fluently by articulation and comprehension with the right usage of grammar.

Parent Love

B) Rafeef mom

Lots of fun in the class today 😄.. long time didnt see my child cheer up like that 😊 thank you ma'am to give our children your best

B) Keerthi Boppana (Hanvit...
Ma'am, why don't you take class daily. Kids are really really enjoying. My daughter keeps waiting for the class 😊

Due this pandemic situation . she is not going out from one month so happy to see kids smiling like that.

By the way, I am very happy with the teachers at Bambinos. They take personal effort in every individual child's development. And the course contents are very well-designed. 👍 Please thank the team on my behalf.

You know he has always been a tough child..and Zoro and me have watched taare zameen par movie..somehow I use to feel Zoro could relate to that movie and I always use to tell him one day I will find you Aamir Khan type teacher ...because I have always been teaching him and have almost no patience..kept changing teachers for him but didn't work...but with you it's just miracle that's happening...thank you so so much

Meet the Team

Aparna Sharma

Content Creator and Program Designer

Aparna Sharma, the founder of Mindgroves Academy, an Educational Organization established in 2013, strives to enrich and strengthen children in their journey towards academic success. She aims to provide high-quality academic support to children in their formative years by arousing their curiosity and enhancing their learning process. Ms. Sharma inculcates teaching methodologies that are influenced by her own creative thoughts and ideas, as well as advice procured from experts in the field. Her vigor to help children has been reflected in her work, and her zealous spirit has yielded excellent results over the years.

Ashish Gupta

Customer Success Manager

Ashish has previously worked at leadership positions at Amazon and Curefit. In his last role, he operated as COO for a series A start-up funded by Lightspeed. Ashish has an MBA from IIM-C and BE from PEC Chandigarh. He is a proud parent of a 5 year old girl and is deeply affectionate towards her. This love drives him to work at Bambinos and guides him to take every decision, which would be beneficial for kids.

Aditi

Content Designer

Aditi has worked in the corporate IT sector for 10+ years. She is passionate about teaching and has conducted classes for kids as a freelancer in India, US and Middle East too. Aditi takes pride in designing courses like Book Reading, Creative Writing and Bhagawad Gita. She believes each kid is unique and needs to develop and enhance their potential, the World is your Oyster. Aditi's perspective is that teaching should be a pleasure and learning a gift, so let's make this a beautiful experience for our little ones.
